By CindyLighter

After spending countless hours on perfecting your website and setting it on up a live host, you may start to wonder how to make your website appear on the search engine radar. Even if you did all of the things like placing rich content, making a nice sitemap to make it easily indexable, and practicing working SEO techniques, ...

Blogging While Making Money from Your Home

By ProWritingConsultants

How do I get started?

You will need to sign up for a Gmail account. Through Gmail, you will be able to track communications as well as comments consolidated into one place and you can separate this from personal correspondence. Gmail is still catching on to most within the internet world but it ...

Tips for Keeping Your Blog Up to Date

By ghostevyta

Keeping a blog up to date is one of the most important aspects of blogging. This is so important because regular blog visitors expect new postings on a regular basis. Not all visitors expect to see a new post as often as once a day but most blog readers expect the content on the ...
